

NAAN MUDHALVAN – PROFESSIONAL READINESS FOR INNOVATION, EMPLOYMENT AND ENTREPRENEURSHIP

ASSIGNMENT – 3

| | |
|------------------------|-------------------------|
| STUDENT NAME | SIVA BHARATH K S |
| STUDENT ROLL NO | 814720104047 |

QUESTION:

Build wokwi product, use ultrasonic sensor and detect the distance from the object. Whenever distance is less than 100cms upload the value to the ibm cloud.in recent device events upload the data from wokwi.

o Example: distance is 20 cms. Upload the 20 value to the ibm cloud in recent event in the ibm iot platform device

o Submit the Assignment in PDF format in the Git repo.

o PDF should have wokwi share link, connections

image, code, IBM cloud recent events

image(Screenshot)

o Everyone in the team should submit the assignment as it is an individual task.
